# OUR EXPERTISE AND RELATIONSHIPS MERGE TO BUILD AND EXPAND YOUR BUSINESS

Sheehy Strategy Group is a full-service government relations, lobbying and public strategy firm with unparalleled experience and statewide reach and depth that has helped a diverse array of clientele navigate California's political landscape before the State Senate, Assembly, Governor and state agencies.

“I’ve known Tom personally and professionally since I recruited him to work for the Senate Fiscal Office in 1999. We went after Tom hard because we knew he was a star. His star only rose during his tenure with us. Later, Tom served as my Chief Deputy Director for Budgets while I was California’s Director of Finance. I’ve always thought the role of Chief Deputy was harder than that of Director—more work, more chance for error. Tom was masterful in that very trying position. Tom’s exposure in all of these roles has given him a depth and breadth of knowledge on matters involving state government that will always keep him in demand by clients who need to understand, work with and persuade key political and administrative leaders in California’s state government.”
